Dear Lick-Wilmerding Community,

This has been a year of Covid tests, ice cream trucks, and record vending machine use. It has filled our hearts to be in community again as an entire school, and we are impressed with how you have navigated the transition back to campus with resilience and kindness. The love we see for this community continues to affirm the strength and joy of Lick-Wilmerding.

**Frosh**, we are proud to report that you have succeeded in your primary objective: taking over the first floor hallway! You bring an audacious, vibrant energy to campus that will keep Lick smiling for years to come. We have enjoyed watching you make friends, build your lamps, and have your share of embarrassing frosh moments. While we weren't able to chant "four more years" at the opening assembly on your first day of school, we know that your next three will go by fast.

**Sophomores**, you are officially halfway through your years at Lick-Wilmerding. After a virtual first year, you navigated the difficult transition to campus with grace and grit. We know it must have been awkward realizing that your grade had an entire second half that wasn't in your cohort, but we are astounded by your ability to adapt and overcome. Your grade has brought whiteboard art to a new level, and we trust that Lick's hallways and Expo markers will be in good hands with you next year.

**Juniors**, there is no grade we'd rather spend Lunch 2 with. We are confident that you will lead the school to new heights, though we'll always think of you as frosh. This was a stressful year, but you persevered through it all – and especially in your quest of blocking the second floor hallway. You are well prepared for all that will come your way next year, and before you know it, it will be your Senior Spring!

**Seniors**, we outta here! These past four years have been an incredible rollercoaster at school and at home, and here we are at the finish line. Our class has succeeded in carrying on Lick traditions to future generations despite two years of isolation and uncertainty, and we will truly be a family forever. From our frequent bonfires to epic Spring Fling proposals, we are, in our completely unbiased opinion, the most iconic grade at Lick-Wilmerding; it feels like just yesterday we were at Roaracle witnessing the "they're all freshmen" moment.

**Facstaff**, thank you for showing up for us every day in these unique and challenging times. You have truly defined our Lick-Wilmerding experience, and we would not be the people we are today if not for your laughs, lectures, labs, and love. To the editors of the yearbook, thank you for capturing this year's moments of joy in a book that will provide us with a lifetime of nostalgia.

On behalf of Student Council, we hope that we've brought you joy with our events on campus and supplied you with more than enough free food this year. It has been an honor representing you, and we are confident that the Lick spirit will remain strong alongside the momentum towards equity and justice.

Sincerely,

Indigo & Felix
Your 2021–2022 Co-Presidents
